Scalp Tonic 100ml

Give your hair the necessary nourishment to help fight hair and scalp problems with Aapt Herbs Scalp Tonic. It is a nutrient-rich oil that provides soothing care to dull, lifeless, weak hair, dandruff and tired scalp to help transform their texture and health. It contains a blend of 7 cold-pressed oils like Sweet Almond Oil, Olive Oil, Castor Oil, Jojoba Oil, Argan Oil, Coconut Oil, Onion oil. It gently detangles hair that helps reduce hair fall & Dandruff. Regular head massage with warm oil helps improve blood circulation in the scalp. Apply this oil on the hair strands to smooth down and seal the cuticles and restore hair's natural shine and softness. Use this oil to help tame frizz, reduce hair fall, repair damaged strands and boost texture and shine. Ingredients: Castor oil, Onion, Garlic, Milk, Eucalyptus, Olive oil, Argon oil, Almond, Coconut etc. HOW TO USE: Tilt the bottle on to scalp and start applying the oil by squeezing out oil. Comb through your hair, root to strands. Go from front to the back of your head. Massage your scalp for 5 minutes for enhanced blood circulation. Leave on for at least half an hour before shampooing. Net wt:100ml Best before 12 months.
